HOW TO FISH THIS WEATHER

MORNING

- Shallow cover, points, creek mouths
- **First light (6:42 AM CST) → ~9 AM**
- Use any ripple as cover

MIDDAY

- Shade lines, docks, deeper edges
- Electronics for bait height first
- Slow down once the sun is overhead

EVENING

- Revisit shallow shade as sun drops
- Topwater if the surface lays down
- Weekday traffic is lighter — work quiet pockets

FALL TRANSITION **Largemouth plan: Follow shad into the backs of creeks and flats 1-10 ft; spinnerbait, squarebill and topwater at a fast pace.**

BIOLOGY

BASS STAGE

Largemouth are in the fall transition — following bait into creeks and onto flats as water cools. Possible turnover window on stratified reservoirs — the bite can go off for a few days.

Basis: estimated water ~58°F — 75-day observed air record (NOAA ACIS) lagged for a lake (14-day response); no water-temperature

NATURAL FORAGE

What's on the menu: Shad and bluegill on points and wood — chrome/white early, green-pumpkin plastics later.

ALSO BITING

Crappie on the same timber with a small jig if you slow down. Catfish after dark near deeper wood if you stay late.

PRESSURE

Weekday traffic — lighter than the weekend. Fish early, give ramps and swim areas room.

gauge on the lake; air record trending falling

WATER BOARD — LAKE CHEAT SHEET

ACCESS — BANK / KAYAK / BOAT

BANK

Bank fishing starts at Lou Yaeger Lake public ramp, Montgomery Co. From the truck you can reach the first shade line, brush pile, or drop within a short walk — work a soft stickbait or weightless fluke along the shade, then pitch a compact jig into the nearest wood.

KAYAK

Kayak anglers should launch at the same public access — Lou Yaeger Lake public ramp, Montgomery Co — and hug the protected shoreline rather than crossing open water when a breeze is up.

BOAT

Trailers use the public ramp at Lou Yaeger Lake public ramp, Montgomery Co — launch, clear the lane, and idle out before you plane. At first light, run points, timber edges, and secondary drops with a squarebill or spinnerbait, then slow down with a Texas-rigged beaver when the sun climbs.
