## HOW TO FISH THIS WEATHER

### MORNING

- Shallow cover, points, creek mouths
- **First light (7:07 AM EST) → ~9 AM**
- Use any ripple as cover

### MIDDAY

- Shade lines, docks, deeper edges
- Electronics for bait height first
- Slow down once the sun is overhead

### EVENING

- Revisit shallow shade as sun drops
- Topwater if the surface lays down
- Weekday traffic is lighter — work quiet pockets

FALL TRANSITION **Largemouth plan: Follow shad into the backs of creeks and flats 1-10 ft; spinnerbait, squarebill and topwater at a fast pace.**

## BIOLOGY

### BASS STAGE

**Largemouth are in the fall transition — following bait into creeks and onto flats as water cools.**

Basis: estimated water ~55°F — 75-day observed air record (NOAA ACIS) lagged for a lake (14-day response); no water-temperature gauge on the lake; air record trending falling

### NATURAL FORAGE

**What's on the menu: We do not have a dated forage report for this window. Most likely, small baitfish and young sunfish and perch are the main meal along the weed edges and points, with crayfish on rocky banks and around wood.**

### ALSO BITING

**Stocked trout. Canonsburg is a Stocked Trout Water open to year-round fishing.**

### PRESSURE

Weekday traffic — lighter than the weekend. Fish early, give ramps and swim areas room.

## DAM & WATER — CONFIRM BEFORE YOU LAUNCH

FIXED Dam-controlled water. No shared generation/level feed this cycle — check the agency page the morning you fish; releases and pool levels change daily. Stay outside buoyed restricted zones.

| ITEM | NOTE | SOURCE |
|---|---|---|
| Permit / regs | All boats with motors must be registered, and unpowered boats need a registration or a current launch permit. | |

## ACCESS — BANK / KAYAK / BOAT

### BANK

Expect cool starts, near 41 to 43 degrees mornings, so dress in layers and plan for the bite to build by mid-morning. Shore fishing is permitted, and the ADA fishing pier near the PFBC Canonsburg Lake ramp is the easiest public spot to start. Walk the open banks near the launch and fan casts along any wood or weed edge you find.

### KAYAK

Launch at the PFBC Canonsburg Lake ramp and paddle the shoreline toward the shallow upper end. At 76 acres, the whole lake is an easy morning's paddle. On the windiest day, stay in protected coves and fish the windward points at the cove mouths.

### BOAT

Launch at the single PFBC ramp on Canonsburg Lake. Electric motors only at slow, no-wake speed keep things quiet, so a careful approach to shallow cover pays off. Early, work wind-blown points and weed edges with spinnerbaits and squarebills.

## LURE BOX

### TOP

Walking bait over weed flats on the warmest afternoon. Buzzbait along shady banks at first light. Hollow-body frog over matted weeds.

### MID

3/8 oz spinnerbait on wind-blown points. Squarebill crankbait along weed edges and wood. Paddle-tail swimbait for suspended fish.

### BOTTOM

Texas-rigged creature bait along weed edges. 3/8 oz jig on points and wood. Drop shot on deeper edges.
